PBTF MISSION MOMENT JESSICA: FINDING STRENGTH IN THE RIDE

Meet Jessica, a pediatric brain tumor survivor. She first attended Ride for Kids in 2018 and instantly fell in love with the community.

"Ride for Kids is one of my favorite events," she says. "It gives us Stars a day of fun, wind therapy, and a smile every mile. The community is incredibly supportive and brings us special memories and hope for a cure." Jessica also gives back by creating her own scholarship, Jessica's Journey, to support other children on their pediatric brain tumor journey.
