UPCOMING RIDE FOR KIDS EVENTS JOIN US FOR FUN AND HEARTFELT SUPPORT

Join us this fall as **Ride for Kids** brings communities together during Childhood Cancer Awareness Month and beyond to support kids and families facing childhood cancer.

- **September 12th**: Virginia Ride for Kids
- **September 13th**: Comoto Ride for Kids Day: stop into your local Cycle Gear store for a percent-of-sales giveback and more
- **October 17th**: Dallas/Fort Worth Ride for Kids
- **October 18th**: Las Vegas Ride for Kids

Riders have already logged more than **820,000 miles** and counting — with **8,649 riders** taking part in the **REVER Million-Mile Challenge**, presented by **Alpinestars**. Going on now through **September 13th**, right in the

heart of Childhood Cancer Awareness Month, log miles solo or with friends and **help support kids** with brain tumors before the season wraps up!

PBTF RFK CHAMPION SPOTLIGHT A NEW TASK LEADER IN LAS VEGAS

Meet Garrett — the **2026 Las Vegas Ride for Kids Task Force Leader**. As Task Force Leader, Garrett heads the local volunteer team that plans and runs the Las Vegas event: recruiting volunteers, coordinating with clubs and dealerships, handling ride logistics, and serving as the main local contact with the PBTF. **A huge thank you to Shannon** for her years of dedicated leadership as she passes the torch — the Las Vegas Ride for Kids community is stronger because of her. When you see him, **wish Garrett well** as he steps into his first year in the role!

PBTF MISSION MOMENT THANK YOU HONDA FOR 35+ YEARS

Many thanks to our **partners at Honda** for hosting PBTF at the recent Cars, Bikes & Coffee Event. **For 35+ years**, their unwavering commitment has **funded vital research, supported families, and helped raise awareness of the PBTF Mission**. As we head into **Childhood Cancer Awareness Month** this September, Honda's long-standing support reflects its broader vision: helping people reach their life's potential through a commitment to sustainability, innovation, and social responsibility.

QUICK TIP FOR IMPACT MAKE A DIFFERENCE BEYOND THE ROAD

Looking to make a difference beyond fundraising as we head into Childhood Cancer Awareness Month this September? **Join us for our 2026 Virtual Days of Action**. Join advocates from across the country as we champion **for policies that protect children with brain tumors**. Anyone interested can register here.
