PBTF RFK CHAMPION SPOTLIGHT 16 YEARS STRONG WITH THE R & T MOTORCYCLE CLUB

The **R & T Motorcycle Club** once again had an incredible turnout for their annual ride! The event began when one of the club's members was diagnosed with cancer. **Now in its 16th year, it has grown to include hundreds of riders.**

The club feels **passionately that children deserve better**. When asked why someone should get involved with Ride for Kids, they said:

"No child should be denied cancer treatments because of a lack of funds. So, people should get involved to provide both financial and non-financial support to families with children who are battling cancer."

Many thanks to Boyer Farms for hosting, and to the R & T Motorcycle Club for their continued support of Ride for Kids! Here's to many more miles together!
