One community. One mission.

## UPCOMING RIDE FOR KIDS EVENTS

### *2027 RFK - BRING US YOUR IDEAS!*

The 2026 riding season may be winding down, but now is the perfect time to **start planning for 2027!**

Have you ever thought about hosting your own Ride for Kids event? Maybe your club already has a favorite annual ride, or you've been dreaming up something new. **Every mile you ride helps kids and families facing a brain tumor diagnosis.** You bring the passion and the ideas, and we'll partner with you to make it happen. We love seeing what our riders create, and we welcome your creativity! **Ready to get started, or just have a question?** Reach out to Alissa Karas at akaras@curethekids.org.

## PBTF RFK CHAMPION SPOTLIGHT

### *SAUL AND JEANETTE PEREZ – DFW RFK LEGENDS*

Saul and Jeanette Perez have been part of the DFW Ride for Kids family for more than a decade. Since 2022 they have hosted a poker ride with their team, **Win the Fight, raising more than $30,000!**

Why get involved? **"To give kids with this serious disease a chance to 'Win the Fight' and see a brighter tomorrow!"** They're quick to share the credit, too: **"We are so blessed to have good people behind us..."**

They give special thanks to Big B's Leather, Rider Biker Supply, Wilson Biker Gear, Micro Dot, Texas First Rentals and many more. **"We wish we could mention them all, but they all know who they are."**

**Thank you, Saul and Jeanette,** for every mile you've ridden for the kids!

## ALL FOR ONE UPDATE

### *$650,000+ RAISED TO DATE*

Last month we celebrated passing $600,000. Now the All for One Challenge has topped $650,000! Thank you to everyone who helped get us here!

## PBTF MISSION MOMENT

### *A NEW WAY FORWARD TO BETTER OUTCOMES*

In August, we launched our new research initiative focused on how we connect every discovery, dataset, and insight to accelerate the next. PBTF is

focused on using AI, machine learning, and cloud technology **as ways to bring better outcomes for kids with brain tumors.**

When we work together to connect resources and expertise, progress can happen faster and more equitably across all tumor types, for every child and family. Your dedication to this important part of our mission is allowing more investment in research – which will ultimately lead us to **better care and treatments.**

## QUICK TIP FOR IMPACT

### *MAKE A DIFFERENCE BEYOND THE ROAD*

**Have a donor-advised fund?** Recommend a grant to PBTF using our EIN (58-1966822), or name PBTF a successor beneficiary to help kids with brain tumors for years to come. Questions? **Contact Andrea Ward** at award@curethekids.org.
